# Dedication

Mrs. Clara T. Ingvalson came to NI in 1918 as an English and Dramatics Teacher. She has helped many students in her 40 years of teaching English and directing plays.

Mrs. Ingvalson retired in 1958 and is now doing quite a bit of traveling with her husband. It is with many fond memories and with much gratitude that we dedicate this Snitcher to her.

STATE BOARD OF

Governor John E. Davis

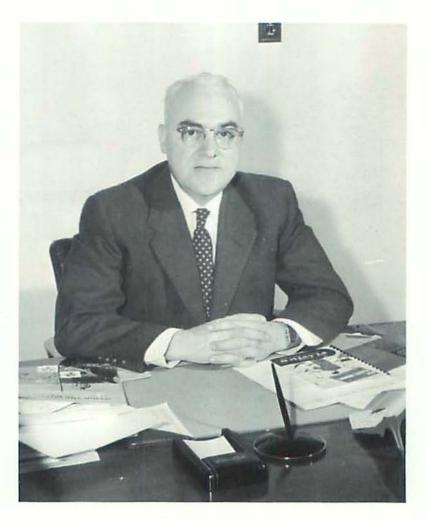

Mr. Albert Haas, Mrs. Vernon Johnson, Mrs. Frank Jestrab, Mr. M. Byrne, Dr. A. E. Mead, Mr. Fred Orth, Mr. Martin Kruse, Mr. C. W. Baker.

# PRESIDENT 1954-1959

Dr. T. S. Jenkins

We would like to take this opportunity to say "Farewell" and "Thanks" to Dr. Jenkins, our President from 1954-1959. Farewell because he left NI to accept the position of President of Mayville State Teachers College. Thanks for the many things he did for NI while he was here.

# PRESIDENT 1959—

Dr. Arthur Dugan

Dr. Dugan came to NI from the University of Wyoming where he was the Graduate Faculty Advisor to the Master and Dr. Candidates. Dr. Dugan has a variety of teaching experiences. He started by teaching in the Elementary school in Dot City. Kansas, teaching High School and Jr. College in Fort Scott, Kansas, then he went to the University of Wyoming where he was head of the Dept. of Extension Classes, Professor of Education of the University and Graduate Faculty Advisor to Master and Dr. Candidates. Dr. Dugan's hobbies are flying, fishing, hunting and reading.

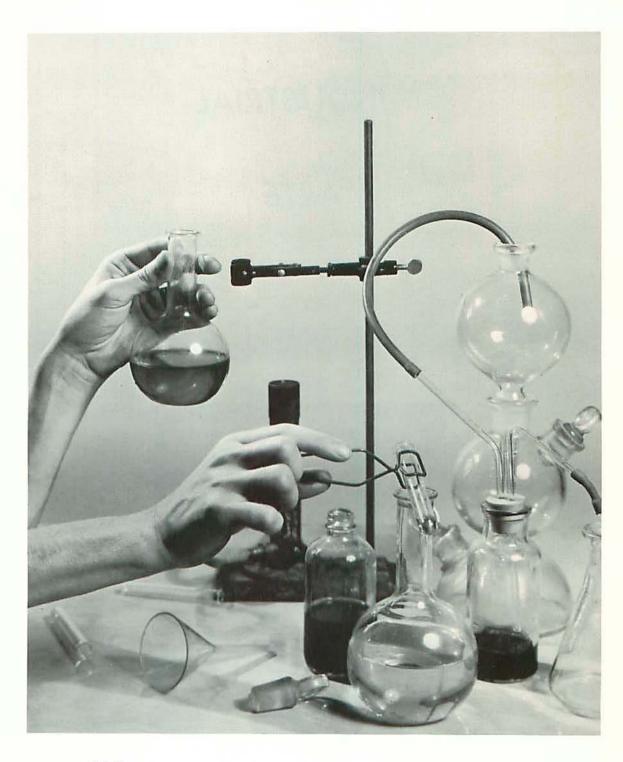

# **ADMINISTRATION**

JEAN CHRISTIAN Registrar MARVIN HUETT Business Manager

THERESA DUNN Secretary to the President CAROLINE MORGAN Assistant Registrar

The business office, with a staff consisting of Business Manager, Registrar, Assistant Registrar, and Secretary to the President, is the heart of the College. The Business Department of the office handles all purchases and supplies of the college, and administers the State Loan and National Defense Loans. The Registration department of the office is in charge of registering students for each new quarter, recording transcripts of students, and recording grades and credits earned by the students during the year. The Secretary to the President helps the President with his correspondence work and also does work for the Faculty.

# Faculty

# INDUSTRIAL

# **ARTS**

DUANE A. JACKMAN Director

The Industrial Arts Department offers a complete course in Industrial Arts education for students who are preparing to teach on the Junior and Senior High School levels and provides an excellent background for employment in industry or agriculture mechanics. The NI is the only college in the Dakotas equipped and authorized to offer the Bachelor of Science degree in Industrial Arts.

The plans are now being made for the building of a new Industrial Arts building which will be a larger and more modern building than the one now located at NI.

MILO N. SULENTIC Power & Electricity

NORMAN L. DELVENTHAL Graphic Arts

# **EDUCATION**

Dr. MELVIN OPEM Dean of College

Dr. HARVEY RETZLAFF Psychology

The Education Department helps prepare the students for teaching. It teaches students how to cope with the problems that you run across while teaching in the primary and secondary schools.

The Education Department hand in hand with the Elementary Education Department helps the students find a place of employment. In the Placement Bureau Dr. Opem receives openings for schools from the Tri-state area of North Dakota, South Dakota, and Minnesota. The graduates of two year and four year courses who have enrolled with the placement bureau are aided in getting a position in the teaching field.

# ENGLISH AND DRAMATICS

ROBERT T. SCHONBERGER English & Journalism

Dr. IRVING DEER English & Dramatics

The English Department is designed to improve students usage of the English language, mature an interest in literary art, raise the individual level of reading and writing, stimulate a desire for clear thinking and good judgment, instill a knowledge and appreciation of the cultural growth of present and past civilizations, and prepare students for teaching English.

Students taking dramatics are given experience as actors, and production staff in short plays.

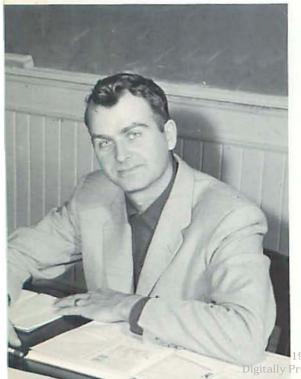

Dr. TADEUSZ WOLIZSKO Biology & Chemistry

# SCIENCE

The Science Department, hand-in-hand with Mathematics, provides training in the scientific method of study, acquaints students with the appreciation and significance of science, offers the essential background for pre-professional work, and helps to educate those who are planning to teach.

Science is not a new field but it is expanding rapidly in the last few years. Now with the interest in space, we have more and more people interested in Science.

### ERNEST WOODWARD Mathematics & Physics

# **MATHEMATICS**

The Mathematics Department helps people to understand numbers better, it gives them a familiarity with numbers that most people lack.

Mathematics is becoming increasingly more important in our everyday life and it is now almost impossible to live in our present day world without at least some knowledge of mathematics.

1960 Snitcher (SNI) Yearbook Digitally Prepared by the Coleman Museum, 2017

Dr. ROBERT KRESS History

WESLEY A, WAAGE History and Political Science

# SOCIAL SCIENCE

The Department of Social Science includes History, Geography, Political Science, and Sociology. Courses in Social Science introduce the student to sources of material, methods of inquiry, criticism of economics, and historical, geographic and socialogical materials. This department prepares students who are planning to teach social studies and offers preparatory courses for advanced professional or vocational studies. An additional aim of the department is to stimulate each student's interest and curiosity in Social Science and provide a general education.

# **ELEMENTARY EDUCATION**

MERTON ANDRESON Director of Rural Education

MARGARET KABRUD Rural Education

The Elementary Education curriculum, leading to the Bachelor of Science Degree in Education with elementary specialization, aims to prepare the student professionally for service to the community in the public elementary schools of the nation. It is an expansion of the Standard Normal curriculum, which has prepared teachers for the schools of N.D. since 1907.

Some of the aims of the Elementary Education program are to encourage students with desirable and effective citizenship and personality to enter the teaching profession, and to provide a background of general education for effective participation in American citizenship.

# **BUSINESS**

The Business Education Department helps you to prepare yourself to teach business, prepares you for secretarial or accounting work, and develops in you a general knowledge of business. The Business courses are set up to provide an intelligent relationship between business and social problems, to give you specialized training to prepare students for occupations, and to establish a background for those who plan to teach business subjects.

ORVIS A. BANKS Business & Bookstore

WAYNE HILL Business

# ART AND MUSIC

C. WESLEY CHRISTIAN Music and Voice

RUTH S, RANDOLPH Related Art

The courses in Art have a three-fold purpose for the student: to develop in all students an awareness of art expression, its many forms and identity with life; to offer opportunities to students who desire to develop their creative abilities; to provide specialized education to those students interested in teaching art.

Music courses are given to entering students of the college to cultivate an understanding and appreciation of the vesthetics, and for those who advance in music, courses are offered to develop skill of performance and skill in teaching, and to factor sounder musicianship.

MYRON ANDERSON Coach & Men's Athletics

With the addition of a new athletic field house, the Physical Education program has been greatly enhanced. Because of the building's tremendous size, any sport the college has taken part in, in the past, can be practiced in it.

The courses offered in the P.E. department have three objectives: to prepare teachers in Health and Phy. Education; to train men for coaching athletic teams; to develop leisure-time activities. Sports and activities offered include: football, basketball, baseball, track, tennis, golf, swimming, and numerous others in the intramural program.

# PHYSICAL EDUCATION

SHARON OXENRIDER Women's Athletics

THOMAS A. HUNT Librarian

### NELLIE J. LEES Dean of Women

# LIBRARY

The library is the center of the school. If you want peace and quiet to study in, you should go to the library. According to the North Dakota Survey of Higher Education in 1957-58, our college had done more than any other college in North Dakota to encourage student reading, and to make the library even more central both physically and educationally.

At present there are 19,654 volumes, 2,268 bound volumes of magazines, and 11,572 circulations during the year. During a single year 700 new books are received.

# DEAN OF WOMEN

The Dean of Women is a very prominent person on the campus. Whenever there is a party or gettogether of students or faculty, Mrs. Lees is usually helping out.

The Dean of Women has office hours for counseling and guidance to the girls of the campus as well as being house mother in Dacotah Hall. She is also the director of the dining hall.

NI Pete Ed Schense

1958 Homecoming Queen
Yvonne Hanson Nankivel
announcing the results of the
1959 Queen Candidacy. The
new Queen is Helen Millner of
Edgeley, N.D.
Attendants were:
Dianne Weiderrich
Sharon Stahlecker
Sherry Jury

The 1959 Whisker King Dennis Denholm as presented by the MC of the 1959 Homecoming Fun Night, Bill Dobler.

Track Star "NI Pete" being interviewed by sports announcer "Fat" Beaver.

Homecoming Fun Night music was presented by "The Tom Cats." Glen Weiand, Gary Thomlin, and Sherman Brunelle.

1959 Littlest Cowgirl Lori Woodward

1959 Littlest Cowboy Scott Munsch

The climax for the evening was the Bonfire followed by a dance.

This page sponsored by The RETZLAFF IMPLEMENT and the OK RUBBER WELDERS.

PARADE

Eight towns were represented in the Homecoming parade by their bands. They were: First place band, Milnor, Columbia, Edgeley, Ellendale, Eureka, Frederick, Guelph, and Kulm.

Little? yes. But lots of spirit.

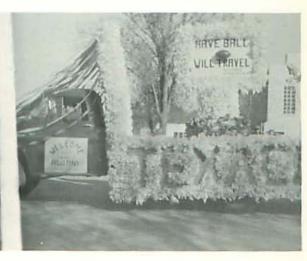

I. A. Club

Frederick Sophomore Class

Alumni

This page sponsored by HENRY BEGIN and MONTANA DAKOTA UTIL. CO.

The highlite for our Homecoming afternoon was the football game played between the Ellendale "Dusties" and the Minot "Savages." It was a well played game with the Dusties bowing in defeat to the Savages.

The final evening of Homecoming was started off by the Alumni banquet. To top of the evening there was a dance at the High School gym with dancing to the music of the Harold Skaggs Orchestra.

Every one seemed to enjoy themselves dancing in a Western Setting of hay bails and low lights.

# Organizations

# LETTERMEN'S CLUB

BACK ROW: Pat Klipfel, Jerry Fischer, Myron Jury, Edward Schense, Joe Goetz, Lawrence Beaver, Clarence Weltz, and Robert Gipp. MIDDLE ROW: Eugene Ylitalo, Dennis Schnable, Paul Turkson, Robert Fenno, William Dobler, Vern Pfeifer, and Douglas Naatus. FRONT ROW: Clifford Clausen, William Ashmore, Du-Wayne Minnaert, Sidney Herrick, Harlan Fitterer, Duane Emery, Pat Kroll, and Pius Wolf.

The aims of the Lettermen's Club are to build a better athletic program and to show how sports play an important part in the physical and mental development of students. The club awards jackets to members who earn two letters in any one sport. Highlights of the year include the annual Lettermen's Club dance, and the alumni basketball team sponsored by the club.

# INDUSTRIAL ARTS CLUB

BACK ROW: Robert Bertsch, DuWayne Minnaert, Sidney Herrick, Myron Jury, William Ashmore, James Vrem, Lawrence Beaver, and Harvey Fode. MIDDLE ROW: Mr. Delventhal, Pat Klipfel, Eldon Reinke, Cornelius Grant, Dennis Schuschke, Paul Turkson, Richard Johnson, and Mr. Sulentic. FRONT ROW: Jerry Stenhjem, Robert Albert, Donald Thompson, Mr. Jackman, Jerome Wisnewski, and Arlan Tietel.

The parent organization of this club was founded in 1913 as the Mechanic Arts Society. It was reorganized in 1939 as the Industrial Arts Club. The group pledges itself to the promotion of social life, scholarship, leadership, and the aims and objectives of industrial education. Each year the club organizes the industrial arts fair which is sponsored by the Ford Foundation.

# STUDENT COUNCIL

Left to right: Ronald Corliss, Donald Thompson, Clifford Clausen, Sharon Stahlecker, Bill Ashmore, and Dr. Opem.

The student council is the students representation in the administration of the school. Their job is to promote the welfare of students. The student council each year sponsors the spring formal and they are in charge of the student union. Through the student council better relationships are established between the faculty and students. The student council also submits a list each year of eligible people for Who's Who among students in American colleges and universities.

#### DELTA ALPHA PI

BACK ROW: DuWayne Minnaert, Charles Weisser, Dennis Schuschke, Jerome Wisnewski, Kenneth Week, Sidney Herrick. FRONT ROW: Clark Brash, Leonard Bell, Duane Emery, Arlan Tietel, Elmer Gall, Pat Kroll.

The purpose of Delta Alpha Pi are to build ideals of loyalty and respect toward the Alma Mater, toward fellow members of the student body, and toward the fraternity and its members, to promote true brotherhood among men, to better develop themselves socially and professionally for the future, and to encourage participation in the desirable social activities of college life,

#### NEWMAN CLUB

BACK ROW: Jerome Wisnewski, Arthur Kuss, Edmond Wegner, Paul Turkson, Joe Goetz, Bill Draft. FRONT ROW: Harlan Fitterer, Patricia Dawson, Dorothy Glynn, Marjorie Schweigert, and Glenn Weiand.

The Newman Club Federation is an international organization of college students on secular college campasses. The NI chapter of the Newman Club meets to promote the spiritual and social well being of its members and also to discuss religious topics. The local Catholic Priest meets with the club and also helps them in any way that he can.
